

Oil Field

Custom Rubber Moldings

Precision Associates is *your* source for custom rubber moldings designed for Oil Field applications.

PAI offers compounds that have been certified by independent test labs to ISO 23936-2 (NORSOK M-710) for Rapid Gas Decompression Resistance and API 6A (ISO 10423) for Sour Gas Service.

Shock Absorber

Drill Mud Motor Boot

A variety of formulations created especially for down-hole use include HNBR, AFLAS[®], NBR, Viton[®], FFKM, L'Garde EPDM, and Natural Rubber polymers.

Experienced rubber chemists are available to assist with proper material selection to ensure product specifications and performance expectations are met. Compound development and testing services are also provided.

ESP Bag

Bonded Valve Seat

Mud Packer

PAI's On-Site tool facility provides quick and economic mold design and construction.

Years of rubber molding experience means you can trust Precision Associates' product quality and dependability on even the most challenging part configurations.
